

A Life-Changing Christmas Gift

I am giving a gift in your honor to the ZOE Ministry's "Hope Companion Program". ZOE Ministry teams groups of orphan-led families together in training them how to make a living, health standards, discipleship, mutual support and more. In the course of 3 years, ZOE ensures these children have the means to thrive for a lifetime. The gift given in your honor will make a lifetime of difference in their lives, and through Jesus will make an eternal difference as they grow to love the Lord.
